

### Give through your Donor Advised Fund

A donor-advised fund, or DAF, is like a charitable investment account for the sole purpose of supporting charitable organizations you care about. When you contribute cash, securities, or other assets to a donor-advised fund at a public charity, you are generally eligible to take an immediate tax deduction. Then those funds can be invested for tax-free growth, and you can recommend grants to any eligible IRS-qualified public charity.

You want your charitable donations to be as effective as possible when you give. Donor-advised funds are the fastest-growing charitable giving vehicle in the United States because they are one of the easiest and most tax-advantageous ways to give to charity.

*Bruce Coe, Chief Development Officer, will be able to assist you with your donation or if you have any other questions or concerns. He can be reached at [bcoe@workfaith.org](mailto:bcoe@workfaith.org) OR 713.568.2744.*
